We are elated to inform you that we gained expertise by working on skill-upgrading initiatives and competitive exam

coaching under the guidance of **APSSDC, EGMM, MEPMA, NDLM and Rajiv YuvaKiranalu** for the past 12 years under our Anjanaas Educational Institution's. Under the direction of our APSSDC, we recently finished the training

programme for 660 students for DSC /Competitive at Paderu Pool Center, Paderu YTC, and Chintapalli YTC in Visakhapatnam District. We are proud to announce that the target of YTC's programme under the leadership of APSSDC received a pass percentage of 67.16 and that our pool center, Paderu, received an average pass percentage of 91.66 with tribal youth. Out of these, **50 individuals have been selected for government teaching positions, almost are selected for Gram / Ward Sachivalayam posts.**

Furthermore, we successfully completed our ITCP, Web developer, PPTT, DDEO, Assistant Fashion Designer and Etc., batches in our Andhra Pradesh with 92 percent pass rate and 78 percent placements/ Self-employment. Moreover, you might have heard about how our **Avanigadda** Coaching Institutions are pioneers in AP and Telangana states for DSC, TET, SI, Constable, and other competitive examinations.

Had the best training experience in Ms office, Tally, **SAP (Systems Applications and Products in data processing)** and other emerging IT technologies like **Azure, My SQL, Data Science, Python, Service Now, Devops, Tableau, Web Technologies, Full Stack, Cloud Computing, Informatica and Digital Marketing etc.** When it comes to training materials, we'll furnish the students with well-updated materials, and we offer a top-notch group of knowledgeable instructors for all of the aforementioned technical trainings,

We provide the valuable certification whichever required the academic and industrial acceptancy. As you are aware now a days all IT Companies are recruiting a greater number of freshers as part of their recruitment policy and it's very difficult for companies to find the trained fresher's as per their requirement. Taking this into consideration "**Anjanaas Foundation**" is building a bridge between companies and trained freshers. As part of this we are connecting with many numbers of colleges and organizations so that we will train every student as per the company's requirement and place them in different MNCs.

We work with top Companies across India and have been undergone an MOU with all of them and those companies agreed to recruit who are trained from our institute or our under-go's institutions will be given first preference in their recruitment drive, if the students are up to the mark in the interview, they will be given offer letter with good salary as per the industry norms.

I hope with your support we will get a good opportunity to interact with your students and explain them the real scenarios in the IT world and other industries, once they step out of your college. we will train your students in the technology suitable for them and prepare them to face the interviews and try to place them in the companies which we are have been tie up.

We provide training as per our convenience and required projects accepting the colleges as well as students in preferable mode. Following are the training programs we can undergo.

1. **In house training:** Our trainers will come to your premises and train your students.
2. **Training at our premises:** Your students can come to our institute and get trained at our premises.
3. **Online training:** Students can attend classes at their convenient place and trainers will be at their convenient place and classes will be conducted virtually and every class will be recorded, and the recordings will be sent to them immediately and they can use them for their future reference.
