Subject: Permission for Conducting Remedial Classes

Respected Sir/Madam,

I respectfully request permission to conduct remedial classes for I, II, and III B.Sc. Chemistry Honours students during the academic year 2025–2026. The programme is organized by the Department of Chemistry to support advanced, moderate, and slow learners.

The classes will be conducted during the semester period from 01-07-2025 to 11-11-2025. These classes aim to improve students' understanding and academic performance.

I kindly request you to grant permission to conduct the remedial classes.

Thanking you Sir.

Yours faithfully,

Head of the Department
Department of Chemistry
Government Degree College
Rampachodavaram

GOVERNMENT DEGREE COLLEGE
RAMPACHODAVARAM, POLAVARAM DISTRICT, A.P
(Affiliated to Adikavi Nannaya University)

REPORT ON REMEDIAL CLASSES

Academic Year: 2025–2026

The Department of Chemistry, Government Degree College, Rampachodavaram, Polavaram District, organized remedial classes for I, II, and III B.Sc. Chemistry

Honours students during the academic year 2025–26. The main objective of these classes was to improve the academic performance of students by identifying their learning levels and providing necessary academic support.

Duration of the Programme

The remedial classes were conducted during the semester period from 01-07-2025 to 11-11-2025 for both III B.Sc. (5th Semester) and II B.Sc. (3rd Semester) students.

III B.Sc. Chemistry Honours (5th Semester)

Academic Performance

The overall result of III B.Sc. Chemistry Honours students, as declared by Adikavi Nannaya University (AKNU), Rajamahendravaram, is 91.6%, which reflects excellent performance.

Student Categorization

Advanced Learners

S.NO	REG.NUMBER	NAME OF THE STUDENT	RESULTS
1	231017169043	M.B.S.D.VASANTHI	PASS
2	231017169042	M.RAJESWARI	PASS
3	231017169040	K.LALITHA	PASS

Moderate Learners

S.NO	REG.NUMBER	NAME OF THE STUDENT	RESULTS
1	231017169038	G.GANGOTHRI	PASS
2	231017169038	D.SHASHANKA	PASS
3	231017169038	E.PRAVALLIKA	PASS
4	231017169038	N.SIMHDRI	PASS
5	231017169038	P.THANMAI SRI	PASS
6	231017169038	K.ESTHARI	PASS

Slow Learners

S.NO	REG.NUMBER	NAME OF THE STUDENT	RESULTS
1	231017169033	CH.VARALAXMI	PASS
2	231017169034	D.BHUVANESWARI	PASS
3	231017169046	S.VASU REDDY	FAIL

II B.Sc. Chemistry Honours (3rd Semester)

Academic Performance

The overall result of II B.Sc. Chemistry Honours students is 59%, indicating the need for improvement through remedial teaching.

U. Manoj Goud
V. Babji
V. Durga Devi

Remedial Measures Taken

Special coaching classes were conducted for slow learners to strengthen basic concepts.

Additional problem-solving sessions and doubt clarification were arranged.

Moderate learners were guided to improve conceptual understanding and exam performance.

Advanced learners were encouraged to focus on higher-level learning and competitive preparation.

Continuous assessment and monitoring were carried out through tests and assignments.

Conclusion

The remedial classes significantly helped in improving the academic performance of students, especially in III B.Sc. where a high pass percentage of 91.6% was achieved. Continuous efforts are being made to enhance the performance of II B.Sc. students. The department is committed to providing quality education and academic support to all categories of learners.
