The EAGLE Club, in collaboration with the Department of Police, Rampachodavaram, organized an important awareness program focused on creating a Drug-Free Andhra Pradesh. The event was held at the Government Degree College, Rampachodavaram, with the aim of educating students about the dangers of drug abuse and promoting a healthier, drug-free lifestyle.

The session began with an address from the event's president, Principal Dr. K. Vasudha, who emphasized the importance of creating awareness among youth about the harmful effects of drugs and the need for collective efforts to combat substance abuse. She highlighted the role of educational institutions in shaping the future of students and ensuring their overall well-being.

Convenor D. Ravi Kumar further elaborated on the significance of the EAGLE Club's initiatives and the critical role the youth plays in bringing about social change. He encouraged the students to actively participate in the campaign and spread awareness about the negative consequences of drug addiction within their communities.

The session was supported by various police personnel who shared real-life stories and statistics about the detrimental impact of drugs on individuals and society. They also provided information on helplines and counseling services for those struggling with addiction.

The event concluded with an interactive session, where students asked questions and shared their thoughts on how to effectively combat drug abuse in the region. The EAGLE Club pledged to

continue its efforts in promoting a drug-free environment through regular awareness programs, campaigns, and student involvement.

This event successfully promoted the message of a "Drug-Free Andhra Pradesh" and strengthened the partnership between educational institutions and law enforcement in the fight against drug abuse.
