REPORT ON SWAYAM /NPTEL COURSE COMPLETION OF 2025-26 DEPARTMENT OF ECONOMICS

Title of the Activity

SWAYAM / NPTEL Online Course Enrollment and Certification

Academic Year

2025–2026

Organizing Unit

Department of Economics

Platform Details

Courses were undertaken through the Government of India's online learning platforms:
SWAYAM (Study Webs of Active Learning for Young Aspiring Minds)
NPTEL (National Programme on Technology Enhanced Learning)

Objectives of the Activity

To enhance students' subject knowledge beyond the prescribed syllabus
To promote self-paced and lifelong learning
To improve digital learning skills and exposure to national-level courses
To encourage certification from reputed institutions like IITs and central universities

Number of Participants

Total Students Enrolled: 12
Students Completed Course: 12
Faculty Participants (if any): 13
(Note: Fill actual numbers as per department records)

Course Details

Students enrolled in various courses related to Economics and interdisciplinary areas such as:

COURSE TITLE: Principles of Economics

Duration

Courses were undertaken during the academic year 2025–26 (12 weeks per course).

Outcome of the Activity

Students successfully completed online certification courses
Improved conceptual understanding and analytical skills
Enhanced employability and academic profile
Exposure to quality content delivered by IIT and central university faculty

Evidence of Success

Certificates issued by SWAYAM / NPTEL

Increased student participation in online learning platforms

Positive feedback from participants

Challenges Faced

Limited internet connectivity for some students

Difficulty in managing time alongside regular coursework

Initial unfamiliarity with online platforms

Action Taken

Encouragement of more students to enroll in SWAYAM/NPTEL courses

Providing guidance and orientation sessions on course selection

Continuous monitoring and mentoring by faculty

Conclusion

The participation of students in SWAYAM/NPTEL courses during the academic year 2025–26 reflects the department’s commitment to quality enhancement and digital learning. It has significantly contributed to students’ academic enrichment and skill development, aligning with NAAC quality parameters
