DEPARTMENT OF ECONOMICS

REPORT ON RESULT ANALYSIS ACADEMIC YEAR 2025-2026

LECTURER : B. LAKSHMANA RAO

1. Introduction

The Department of Economics conducts result analysis every academic year to evaluate students' academic performance, identify strengths and weaknesses, and improve teaching-learning practices. The analysis helps in maintaining quality education as per National Assessment and Accreditation Council (NAAC) guidelines.

2. Objectives of Result Analysis

To assess overall student performance in university examinations

To identify high performers and slow learners

To evaluate the effectiveness of teaching methodologies

To plan remedial measures for academic improvement

To enhance the quality of education and student outcomes

3. Methodology

Collection of semester-wise university examination results

Comparison with previous academic years

Analysis based on pass percentage, grades, and subject-wise performance

Identification of advanced and slow learners

Faculty discussion and review meet

Performance Analysis

The overall result shows a steady improvement compared to the previous year.

Final year students (III BA) achieved the highest pass percentage (100%).

Core subjects like Development economics, economic thought political economy, vth semester all passed recorded good performance.

A few students showed low performance in Micro economics , Macro rconomics papers .

6. Identification of Learners

Advanced Learners:

Students scoring above 85%

Encouraged to participate in seminars, projects, and competitive exams

Slow Learners:

Students scoring below 50%

Provided with special academic support

GROUP	SEMESTER	NAME OF THE PAPER	APPEARED	TOTAL PASSED	PERCENTAGE
I BA	I	Introduction to Economics	32		
	I	Micro Economics	32		
	II	Macro Economics	32		
	II	Development Economics	32		
II BA	III	Macro Economics	28	8	30%
	III	Economic thought and political Economy	28	28	100%
	III	Development Economics	28	28	100%
	III	Public Economics	28	22	
	IV	India and Ap Economy	28	28	100%
	IV	Statistical Method for Economics	28	28	100%
	IV	International Economics	28	28	100%
III BA	V	Entrepreneurship and MSME	11	11	100%
	V	Insurance Services	11	11	100%
	V	Retail and Digital Marketing	11	11	100%
	V	Former Producer Organization	11	11	100%
III BA	VI	Internship	11	11	100%

7. Action Taken

Conducted remedial classes for slow learners
Organized bridge courses for basic concepts
Implemented mentoring system for academic guidance
Provided model question papers and assignments
Encouraged peer learning and group discussions

8. Outcome

Improvement in pass percentage across all years
Better understanding of core subjects
Increased student participation in academic activities
Reduction in failure rate

9. Conclusion

The result analysis indicates satisfactory academic performance of the Department of Economics. Continuous monitoring and implementation of corrective measures have contributed to improved results. The department remains committed to enhancing student performance and achieving academic excellence in line with NAAC quality standards.
