

## **STUDENT OUTREACH PROGRAMME – 09/09/2025 TO 11/09/2025**

The **Department of History**, Government Degree College, Rampachodavaram, organized a **Student Outreach Programme** from **9th to 11th September 2025**. The students of **II and III B.A. History** actively participated in this programme as part of their community engagement and experiential learning activities.

As part of the outreach initiative, the students visited **A.P.T.W.R. Girls School** and **Ashram Boys High School**, Rampachodavaram. The main objective of the programme was to encourage school students to develop an interest in **History** and to make the subject more interactive and enjoyable.

During the three-day programme, the degree students conducted **History classes for VII and VIII class students**. Topics from ancient, medieval, and modern Indian history were covered, with special emphasis on the freedom movement and local heritage. The sessions were conducted using creative teaching aids such as charts, timelines, and storytelling to make learning lively and participatory.

At the end of each day's session, a **quiz competition** was organized for the school students to test their understanding and to encourage active participation. The winners of the quiz were awarded **prizes** as a token of appreciation and motivation. The students enthusiastically took part in the quiz, which made the learning process more engaging and joyful.

The school authorities expressed their appreciation for the efforts of the Department of History and the degree students. The outreach programme not only benefitted the school students but also provided valuable teaching experience and confidence-building opportunities for the B.A. History students.

This programme was conducted under the guidance of **Smt. J. S. Suneetha Kumari, Lecturer in History**, and with the support of **Dr. K. Vasudha, Principal**, Government Degree College, Rampachodavaram.

### **Outcomes of the Programme:**

- Promoted interaction between college and school students.
- Improved teaching and communication skills of degree students.
- Increased awareness and interest in History among school students.
- Encouraged teamwork, leadership, and community engagement.
- Motivated school students through quiz competitions and prize distribution.

### **Conclusion:**

The **Student Outreach Programme** was a successful and enriching experience for both college and school students. It reflected the commitment of the Department of History to foster community-oriented learning and promote historical awareness among young learners.
