

GOVERNMENT DEGREE COLLEGE-RAMPACHODAVARAM

Report on Orientation Program – Youth For Social Impact

01-07-2025

An Orientation Program on the Youth for Social Impact initiative of Andhra Pradesh was organized at Government Degree College, Rampachodavaram on July 1st, 2025. The program aimed to introduce students to the vision and objectives of the initiative and to motivate them to actively participate in solving local challenges through innovative and sustainable approaches.

The session was conducted under the dynamic leadership of Dr. K. Vasudha, Principal of the college. The Event was coordinated by Mr. K.G. Venkatesh, Lecturer in Chemistry, and Mrs.M.Sivakumari, Lecturer in Computer Applications.

During the orientation, students were encouraged to cultivate an entrepreneurial mindset and contribute to real-world problem-solving by identifying community issues and developing scalable solutions. The speakers highlighted the role of youth in driving social and economic transformation through active involvement in community development.

The orientation was well received by the students, who expressed enthusiasm and readiness to engage in impactful ventures under the guidance of their mentors.
