OPEN DAY

BY

DEPARTMENT OF COMPUTER APPLICATIONS

A Brief Report on Open Day Conducted by the Department of **Computer Applications**

Date: 31-01-2025

Venue: Government Degree College, Rampachodavaram

Organized by: Department of Computer Applications & Commerce

Introduction

The Department of Computer Applications & Commerce at Government Degree College, Rampachodavaram, successfully organized an Open Day for the junior college students of APTWR Girls Junior College. The primary objective of the event was to provide an interactive platform for students to explore various courses, career opportunities, and necessary skills for success in the fields of Commerce and Computer Applications.

Objectives of the Open Day

- To introduce students to the various programs offered by the department.
- To provide insights into career opportunities in Commerce and Computer Applications.
- To enable students to interact with faculty members and seek academic guidance.
- To conduct informative sessions and hands-on demonstrations to enhance student learning.

Event Highlights

- **Inauguration Ceremony:** The event commenced with a welcome address by the Head of the Department, highlighting the importance of technology and commerce in modern career pathways.
- **Interactive Sessions:** Faculty members provided detailed explanations of the courses offered and their career prospects.
- **Demonstrations & Workshops:** Live demonstrations on coding, database management, and business applications were conducted to give students hands-on experience.
- **Career Guidance Session:** Experts from the field shared their knowledge and provided guidance on various career opportunities.
- **Q&A Session:** Students had the opportunity to clarify doubts and gain further insights from faculty members and industry experts.

Participation and Response

The event saw enthusiastic participation from students of APTWR Girls Junior College. The interactive nature of the event allowed students to engage actively and gain valuable information about their academic and professional futures.

Conclusion

The Open Day was a resounding success, achieving its objective of providing students with a clear understanding of the opportunities available in Commerce and Computer Applications. The event motivated students to pursue their academic interests with greater clarity and enthusiasm.

Acknowledgment

The Department of Computer Applications & Commerce extends gratitude to the Principal, Dr .K.Vasudha, faculty members, students, and volunteers who contributed to the successful execution of the event. Special thanks to the junior college students for their active participation.
